

HIGHLY ADVANCED LIQUID GRADE PROTEIN

It's a new and superior way for active people at all levels to get the protein they need for sustained peak performance, lean muscle growth and repair, and ideal nutritional support for stronger bones and joints, and healthier, more radiant skin.

BIG POWER, LITTLE PACKAGE: FrogFuel packs an astonishing 15 grams of enhanced protein into each great-tasting little shot.

MULTIPLE BENEFITS: Only FrogFuel has this unique blend of enhanced amino acids to benefit the whole body. So, while lean muscle mass and top performance improve rapidly, FrogFuel also benefits bones, joints, skin and hair, the immune system, digestion and many other metabolic and biological functions.

NO UNHEALTHY FILLERS: Streamlined formula has no sugar, no fat, no carbohydrates, no gluten, no lactose and no cholesterol!

FAST AND EASY: With each quick 1-ounce shot, maximum nutrition is available immediately to the body. Uniquely advanced FrogFuel is absorbed right away to build lean muscle, increase metabolism and burn fat.
